1. The Congress Working Committee has formed a working committee, composed of Sankar Rao Iyer, Jagjivan Ram, Rafi Ahmed Kidwai, Dr. Rajendra Prasad and one other. This committee has delegated Ravindra Varma to form the All-India Youth Congress.
2. The Civil Liberties Union is a completely Communist organization. The Primary Teachers' Association in Calcutta is supporting the Civil Liberties Union (CLU) because the CLU has supported the demands of the Primary Teachers' Association (PTA).
3. Neither the All-Bengal Teachers' Association (ABTA) nor the PTA is Communist controlled, but both are Communist influenced. The ABTA favors violent measures whereas the West Bengal Teachers' Association (WBTA) is affiliated with the non-violent wing of the Revolutionary Communist Party of India, and is headed by Soumenendra Nath Tagore of 4 Elgin Road, Calcutta.
4. The students' front of the Ruikar faction of the All-India Forward Bloc is called the Students' Bureau. It is now almost defunct. The offices of the Students' Bureau are at 131 Bowbazar Street. Sumir Mal Mukherjee is connected with the Bureau.
5. The provincial office of the All-Bengal Students' Congress is at 71/2A Cornwallis Street, Calcutta, while the main office is at 16 Birzapur Street. This is the group containing the Revolutionary Socialist Party of India. The West Bengal Students' Congress office (a Congress group) is at 34 Ripon Lane. The address of Aurobindo Bose's student front is at 1/1 Cornwallis Street.
6. The Mazdoor Majawar League is associated with the World Federation of Democratic Youth.
